Replacement construction of Domicil Wyler care centre

Category: Retirement home

Year: 2026

Type: New building

Brand: RWD Schlatter

Main contractor: Halter AG

Architect: Rykart Architekten AG

Building promoter: Anlagestiftung Swiss Life

The new replacement building for the Domicil Wyler care centre in Bern is being built as part of a comprehensive project in the Wyler district. The new centre will offer 112 care rooms, recreation rooms, a public restaurant with a catering kitchen and premises for the neighbourhood centre. The building is being constructed sustainably using recycled concrete and fulfils the Minergie-ECO standard.
