Burghalde secondary school

Category: Public buildings

Year: 2021

Type: New building

Brand: RWD Schlatter

Building promoter: Stadt Baden

Architect: Masswerk Architekten AG

Secondary level I includes the three types of school: special, intermediate and secondary school. In order to emphasize the desired warm atmosphere of the rooms, all doorsets were veneered with oak. These are UniStar sound and climate control doors and SoundStar soundproof doors. Some of the elements also have built-in glass side panels, ensuring brightness, transparency and a view through.

Functional doors

Functional doors must meet the highest requirements in terms of security, smoke, fire, sound, burglary, climate and escape route protection, while also being aesthetically pleasing. At RWD Schlatter, we combine innovative technology with precise workmanship and high-quality design. Whether for homes, offices or public buildings: our doors offer tailor-made solutions for every requirement. You can rely on Swiss quality that perfectly combines functionality and aesthetics.
