A total of 48 functional doors from RWD Schlatter were installed in the premises of the Basel Bankruptcy and Debt Enforcement Office. As confidential discussions are often held here, doors with reliable sound insulation were an absolute must. The UniStar and SoundStar soundproof doors reliably meet these high requirements and at the same time impress with their simple appearance.

### Functional doors

Functional doors must meet the highest requirements in terms of security, smoke, fire, sound, burglary, climate and escape route protection, while also being aesthetically pleasing. At RWD Schlatter, we combine innovative technology with precise workmanship and high-quality design. Whether for homes, offices or public buildings: our doors offer tailor-made solutions for every requirement. You can rely on Swiss quality that perfectly combines functionality and aesthetics.
